5:00 to 6:30 p.m.

Athens Creek Retirement Lodge

179 W. Warren Ave

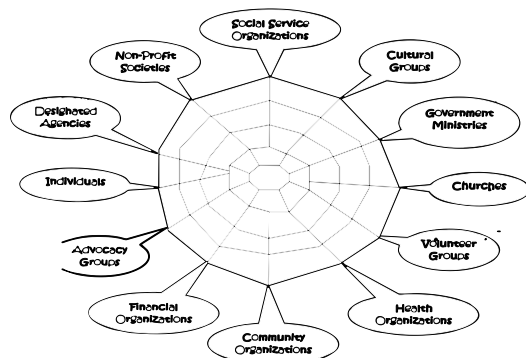

Penticton, B. C.

The **Penticton Community Response Network** is a group of more than forty people and organizations in Penticton and Summerland working together to ensure a coordinated response to adult abuse, neglect and self-neglect and is mandated and supported by B.C.’s guardianship laws and the Office of the Public Guardian and Trustee.

**Financial professionals are invited to meet with some of the members of our network in order to affirm and discuss the important role that we all play in identifying and responding to abuse of vulnerable adults.**

This will provide an opportunity to meet face-to-face with others who can help in identifying and responding to abuse of vulnerable adults. We hope that each financial institution will send two or three senior staff members to this presentation. For more information call Yvonne Kennedy at 250-497-7147.

To confirm attendance, please phone 250-493-3838 by June 9, 2003.
