To all of you who are so committed to the CRN movement:

It is with mixed feelings that I am announcing Alison Leaney's resignation from the position of Executive Director of the BC Association of Community Response Networks. On behalf of the Board of Directors, I would like to take this opportunity to thank Alison for her dedication over the last seven years as she devoted countless hours promoting the vision of the CRN movement provincially, nationally, and internationally. Alison remains a tireless advocate in the fight to end abuse and neglect of adults. Alison's leadership will be missed. The Board of Directors wish Alison success in all of her future endeavors and we look forward to working with her in new role at The National Initiative for the Care of the Elderly (NICE) and partnering with her on other projects in the future.

Please find attached a posting for the Executive Director position. We would appreciate it if you would circulate and distribute it to your networks and we encourage you or anyone else passionate in this movement to apply.

Leanne Lange
