Use of Funds Reporting

Key Issue: 1. Review of Use of Funds Report and other Initiatives Forms.

Points of Discussion: The reporting forms are tools to make CRN life easier, and to be able to better able to justify why CRN's need funds, not for the sake of being bureaucratic.

Key Issue: 2. Overview of the Vanguard Project and Next Steps for CRN's

Points of Discussion: The Vanguard Project provides recommendations, resources and tools. It is supportive of what CRN's do; legitimizes what CRN's are doing already, and increases possibility for expansion.
